WILL SERVE LETTER

Date _____

Panhandle Health District
Attn: Chris Irvin
322 S. Marion Ave.
Sandpoint, Idaho 83864
Via email: cirvin@phd1.idaho.gov

Project address: _____

Dear Mr. Irvin:

The Pinto Point Sewer District has reviewed the District's Application for Sewage Permit documents submitted by _____.

Please be advised the Pinto Point Sewer District has approved the application and determined the additional effluent from the work described in the permit documents will not over tax our sewer district's upland drain field.

Yours truly,

Denny Christenson
Chairman, Board of Directors
